## JOINT COMMISSION RESOURCES MISSION

The mission of Joint Commission Resources, Inc. (JCR) is to continuously improve the safety and quality of health care in the United States and in the international community through the provision of education, publications, consultation, and evaluation services.

## DISCLAIMERS

JCR educational programs and publications support, but are separate from, the accreditation activities of The Joint Commission. Attendees at JCR educational programs and purchasers of JCR publications receive no special consideration or treatment in, or confidential information about, the accreditation process. The inclusion of an organization's name, product, or service in a JCR publication should not be construed as an endorsement of such organization, product, or service, nor is failure to include an organization's name, product, or service to be construed as disapproval.

This publication is designed to provide accurate and authoritative information regarding the subject matter covered. Every attempt has been made to ensure accuracy at the time of publication; however, please note that laws, regulations, and standards are subject to change. Please also note that some of the examples in this publication are specific to the laws and regulations of the locality of the facility. The information and examples in this publication are provided with the understanding that the publisher is not engaged in providing medical, legal, or other professional advice. If any such assistance is desired, the services of a competent professional should be sought.
